

FAQ FOR LED WEBSITE

LICENSING

1. How can I apply for an MPOB license?

All applications must fulfill the stipulated criteria in order to be considered. Application for license shall be made online via MyLesen MPOB and E-Lesen Pekebun Kecil website. Please use the main (latest) browsers that are compatible with HTML5 standards (example: Google Chrome).

URL: <http://e-lesen.mpob.gov.my> (for main category of license), or
<http://e-lesenpk.mpob.gov.my> (for smallholding).

For main category of license

Please refer the 'Criteria and Guidelines on MPOB License Application' on MyLesen MPOB website for further information relating the application criteria.

For smallholding

Before submitting online application form, please upload the photocopy of identity card and land title, and send them together.

2. What are the bussiness opportunities in the oil palm industry that I can venture?

There four sectors in the industry namely plantation, trading, services and manufacturing. You can choose that suits with your interest or company's nature of business.

Please refer the Criteria and Guidelines on MPOB License Application' on MyLesen MPOB website (<http://e-lesen.mpob.gov.my>) to get the detail on the category of license, its activity as well as the oil palm products involved.

3. How long will it take to process a license?

A complete application will take not more than 30 working days for all categories of license except for Commencement of Construction of Oil Palm Mill not more than 90 working days, and estate and smallholding not more than 5 working days.

4. How much is the license fee?

The license fee for each activity and class of oil palm product is RM100 per year, except:

- i. Smallholding – free
- ii. Milling of FFB – RM500 per year
- iii. Commencement of construction of oil palm mill – RM500 per year.

5. How about if an application of license was rejected, what can I do?

Applicant may appeal to MPOB within 30 days from the date of reject notification with a fee of RM500 for all categories of license except for category of Oil Palm Mill (MF) and Import (PM) RM1,000.
